

The next generation of catalog enrichment

ProQuest® Syndetics Unbound

Syndetics Unbound is a new unparalleled enrichment product that enables you to quickly and affordably transform your catalog or discovery layer into a dynamic showcase for your collection. This new product combines the best of two enrichment platforms — Syndetic Solutions and LibraryThing for Libraries — and adds a modern, intuitive, mobile-responsive user interface. The result is an innovative and compelling showcase of materials.

Helps libraries Improve their Customer Experience

Most modern enrichment elements

- Transforms even an outdated library catalog into a dynamic and attractive showcase for a library collection.
- Premium cover service automatically generates cover images if one does not exist.

Comprehensive

- Includes the most expansive coverage of global books and media published in the US, Canada, UK, Australia and New Zealand.
- Features books, movies, music and video games and will soon offer international coverage including Spanish.

Syndetics Unbound goes where your users are, including on tablets and smart phones.

A good Business Decision for Libraries

Simple and useful for libraries.

- Syndetics Unbound is designed to use right out of the box.
- Minimal customization is needed to get Syndetics Unbound into your catalog.
- An easy-to-use admin tool provides element configuration, holdings management and coverage and usage reports.
- See titles in a series not currently in your collection, so you can consider adding them.

Increases usage

- Syndetics Unbound helps patrons discover the books and other media they'll love, wherever it is.
- Maximize your acquisitions budget by putting all of your materials within easy reach.

Affordable

- To approach the level of readers' advisory support and catalog enrichment offered by Syndetics Unbound, you would need multiple packages from other vendors—and they wouldn't work together. With Syndetics Unbound, it's all included in one subscription.

Summary

For twelve long years, the dread fortress of Azkaban held an infamous prisoner named Sirius Black. Convicted of killing thirteen people with a single curse, he was said to be the heir apparent to the Dark Lord, Voldemort. Now he has escaped, leaving only two clues as to where he might be headed. Look Inside

Cover | Table of Contents | Excerpt

Harry Potter was a highly unusual boy in many ways. For one thing, he hated the summer holidays more than any other time of year. For another, he really wanted to do his homework but was forced to do it in secret, in the dead of night. And he also happened to be a wizard.
