

Flat Odie spent the day with the staff at the Thormodsgard Law Library.

He began his day helping out as a Reference Assistant.

After a busy stint at Reference we asked him to help shelve books in our various collections.

Shelving the Self-Help Collection.

Shelving the Academic Success Collection.

Shelving the Professional Success Collection.

Flat Odie just had to take a break and check out our Rare Book Collection.

The day wouldn't be complete without helping out at Computer Services!

Having worked hard at the Thormodsgard Law Library, Flat Odie takes a break in the Judge Bright room.

So comfy, Odie thinks he might just stay here.
