

CREDO in North Dakota

Our Platforms

- **E-Book Content**: Multi-publisher E-book Platform offering hundreds of titles with several ways to search over 3,000,000 full text entries from encyclopedias and dictionaries
- **Technology**: A hyper-customized platform brings together your library's branding, multi-vendor e-resource content, and newly created videos and tutorials onto one screen – allowing you to take your library with you, wherever you go.
- **Tools & Services**: Embedded videos, tutorials & homework help to assist with your own Library's Marketing & Digital Literacy needs

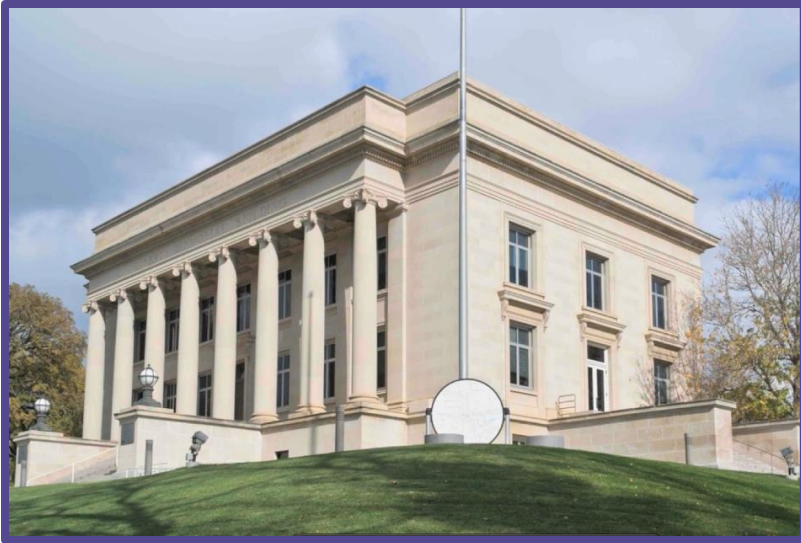

The E-Book Content

- Over 2000 full-text encyclopedias (depending upon product), dictionaries, fact-books & atlases, all with unique URLs to link individually
- 300,000+ Images & 700+ videos
- 200,000+ Audio Files
- Citations available for every entry in APA, MLA, Harvard and Chicago formats
- Image search, audio search & advanced search
- Faceted browsing to narrow results by subject, entry type, or multi-media file
- Content accessible for every type of library user
- MARC Records for each title
