Demystifying

Primo 11:00-noon CST Room 101
Central

Session Leader: Linda Allbee/ODIN Office

The heart of rock and roll is the beat --- and the heart of Primo article searching is Primo Central. Learn about what Primo Central is, what it does and how it's configured for ODIN libraries.

LUNCH noon-12:50pm Room 102
CST

Box Lunch (sandwich, apple, chips, and a cookie) & Beverage

Engage colleagues in some great conversation!

Primo: Back Office 12:50-1:55pm
CST Room 101

IVN sites: (registration required)
Valley City /VCSU, Rhoades Science Center, Rm 101 (host)
Bismarck / BSC, VoTech 236
Dickinson / DSU, Klinefelter 324
Fargo / NDSU, EML 170

Mayville / MaSU, Library 120C
Minot / MiSU, Admin 359
Wahpeton / NDSCS, Library 101

Session Leader: Lynn Wolf/ODIN Office

We'll discuss what drives the display & keeps the data on track. We'll show some of the back office workflow that takes your input and creates the OPAC display you want to present to your users. Primo 4.6 is our next update and may be in production by May 19th but in any event, there will be some discussion of 4.6 highlights and also how new versions are rolled out.
