TIME	Program	Presenter/s	Description of Program	Room
11:00-11:55 am	Moving Out, Moving In, and Moving On: Stories from Academic Library Experience.	Kaaren Pupino/UND Thormodsgard Library & Michael Safratowich/UND Health Sciences Library	Many libraries are being challenged to reinvent themselves, to evaluate their mission and what their patrons need most and to move on making changes in facilities, services and resources. Library staff may be invited or drafted into the process. Whether you are being invited into such a process or dragged into it, come and hear how other libraries who have recently gone through it or are going through it.	116
11:00-11:55 am	SFX FAQ 2016	Ellen Kotrba/ODIN Office & Tuya Dutton/Valley City State University	This discussion session will focus on SFX anomalies that have been encountered using SFX & how to resolve or understand them. Information will include examples. We'll also touch on how new titles/collections get added to SFX with a touch on Primo Central Index. Please come prepared to share your thoughts, ideas & insights.	117
12:15-1:00 pm	Lunch - Box lunch will be provided along with pop/water			
1:00-1:55 pm	Making the most out of OCLC's Reclamation Batchload	Ben Ferguson/ Valley City State University	By learning about VCSU's experience with OCLC's Reclamation, you can find out how your library can use this service to improve and maintain your catalog's accuracy.	116
1:00-1:55 pm	Accessing and running Primo Statistics/Analytics	Lynn Wolf & Jonathan Moorman/ ODIN Office	This session will introduce accessing and using statistics and analytics for your Primo institution. We will cover where you go to access, which credentials and permissions you will need for the Primo Back Office Reporting functions, what out-of-the-box reports are available, how to create new reports, what documentation is available and more.	117
