Title	Tokaido
Creator	Bauza, Antoine, 1978- designer. > Naiade, illustrator. >
Language	English
Subject	Pilgrims and pilgrimages > Japan >
Genre	Role-playing games. Board games. Puzzles and games. Jeux de plateaux.
Description	"Welcome traveler! Welcome to the Tokaido, the legendary East Sea Road connecting Kyoto to Edo. Here you will begin an extraordinary journey during which you will discover a thousand marvels for the first time. Be sure to take the time to contemplate the sumptuous vistas before you: the majestic mountains, peaceful coastland and vast rice paddies....Let the brushstrokes of nature be an anchor for your memories. Appreciate the beneficial stopovers that punctuate your path, the restorative tranquility of the hot springs, and the countless culinary delicacies that will astonish your palate. Bundle together with your belongings delightfully unexpected souvenirs, from the most modest to the most sophisticated, that you gather from surprising encounters that may change the course of your travels." -- Container.
