

NDAC Spring Meeting Agenda & Minutes

March 12, 2026

- Purchasing Committee updates
 - Met the beginning of February
 - Purchased high holds and high 'notify me' tag items
 - Spreadsheet of purchased titles can be found in the NDAC-Purchased Titles folder of the NDAC Teams channel
 - Will set up another meeting for next month

- Curation Permissions for Shared Collection
 - The group is okay with members having permissions to curate lists for the consortium, but there are no plans to create specific lists currently
 - Members are encouraged to share their individual lists with the consortium if they would like

- Loan and Hold Settings
 - Checkout and hold limits for the consortium were increased to 10 checkouts & 10 holds at a time (from 5 checkouts, 3 holds previously)

- Anyone aware of any free collections that could be activated for the consortium?
 - Hannah contacted Julie about this, there are some subscriptions for open access content that don't cost money
 - Hannah will create a list of options for the purchasing committee to review, then the purchasing committee's recommendations will be sent out to the group for discussion at the June meeting

- Other Discussion?
